

# CITIZENS CONSIDERING DEHYDRATION PLANT

Representatives of the Missouri Holding of the Hammond System of Dehydration Conferring with Monett People.

G. M. Edwards and K. W. Winters of Kansas City, representatives of the Missouri Holding of the Hammond System of Dehydration are in town in conference with the leading Monett citizens in regard to a proposition to establish a dehydration plant at this place.

The State Department of Agriculture has given out the information that the country in this vicinity is ideal for the production of the crops most used in dehydration. Apples from this region dehydrate much better than the western apples. Vegetables and small fruit produced here are excellent for this purpose.

The dehydration of food products will revolutionize the farming industry. An average sized plant in a community will pay the interest on land at from \$500 to \$5000 per acre, with a plant in full operation.

The company pays good wages to employees and pays good prices for produce. The plant contemplated for this place would employ 105 people, many of them women. Lowest wages paid are to girl and women peelers who receive a minimum of \$25 a week. Men workers receive from \$125 to \$300 per month.

The plant would take care of twenty tons of fresh product per day.

Should Monett decide to finance such a plant, the agricultural department would send a man here to give instruction on the cultivation of the different products.

Mr. Edmonds stated that such a plant would make one and a half times the price of the plant the first season. The demand for dehydrated products is enormous and the 200 plants now in operation cannot in any way supply the market.

The citizens are conferring with the dehydration plant representatives to see whether or not they can meet their proposition.

## WIENER ROAST

The losing side in a Sunday school class contest at the Liberty church, entertained the winning side, at a wiener roast Saturday evening, October 15, in the Mulkey grove, five miles northeast of town. B. C. Wolf is the teacher of the winning class. They reported a delightful time.

Mrs. Norman Hudson spent Sunday with her mother at Peirce City.

## ORDER OF PUBLICATION

State of Missouri, County of Barry, ss. In the Circuit Court, November Term, 1921. Grace Pearl Wolfe and V. W. Wolfe Plaintiffs vs. Harry Walls and Lillie Walls Defendants, The State of Missouri, to the above named defendants, greetings:

You are hereby notified that an action has been commenced against you in the Circuit Court of the County of Barry, in the State of Missouri, To cancel and hold for naught, a certain bond for a deed, executed by J. J. Lauderdale and wife, to defendants herein, on December 28, 1911, and recorded in Record Book 103, Page 225, in the office of the Recorder of Deeds of Barry County, Missouri, to the lands herein described; and a judgment and decree the plaintiffs herein, to be the owners in fee simple of the following described real estate, to-wit: Beginning Fifteen (15) feet west, and Six Hundred and Forty-four (644) feet south of the Northeast Corner of the Southeast one-fourth (1/4), of the Northeast one-fourth (1/4), of Section Thirty-two (32), Township Twenty-six (26), Range Twenty-seven (27), for a beginning point running thence West Six Hundred and Sixty (660) feet; thence South Three Hundred and Twenty-seven (327) feet; thence East Six Hundred and Sixty (660) feet; thence North Three Hundred and Twenty-seven (327) feet, to the place of beginning, containing Five (5) acres, more or less, all situated in Barry County, Missouri, which said action is returnable on the first day of the next term of said court, to be begun and held at the court house in the city of Cassville, in the county of Barry and state of Missouri, on the 14th day of November next, when and where you may appear to defend such action; otherwise plaintiff's petition will be taken as confessed and judgment rendered accordingly.

And it is further ordered, that a copy hereof be published, according to law, in the Monett Times, a weekly newspaper published in Barry county, Missouri.

S. M. TROLINGER,

Circuit Clerk.

H. A. GARDNER,

Attorney for Plaintiff.

A true copy from the record. Witness my hand and the seal of Circuit Court of Barry County, this 20th day of September 1921.

Mr. and Mrs. A. H. Roller attended meeting at Arnhart Monday night.

Mr. and Mrs. T. P. Davis visited Clyde Davis and family Sunday after church at Bethel.

R. E. Rice has gone to Idaho to spend the winter.

## INSTRUCTIONS GIVEN FOR LEGION PARADE

Parade Committee Issues Bulletin Giving Line of March for National Convention at Kansas City.

Editor Monett Times:

Owing to the very limited time between now and October 31st and inasmuch as it is almost an impossibility to get in personal touch with all ex-service men and Legionnaires of this section, for their guidance, we respectfully request that you publish the following bulletin, issued by The State Department American Legion.

Signed: E. M. Price, Commander.

Dr. J. M. Russell,

Finance Officer.

E. E. O'Dwyer,

Post Adjutant.

## BULLETIN

The parade committee has prescribed the following regulations for the conduct of the American Legion parade during the American Legion Convention.

I. All members of the Legion participating in the parade are requested to appear in the uniform worn at the time of discharge, but no one should remain out of the parade for lack of a uniform. Report in civilian clothes if uniform is unserviceable. Authorized medals and badges will be worn.

II. No mounts will be used in the parade except by the police.

III. Formations will be in double rank and posts will be divided into platoons of three squads each, with right and left guides. Distance between platoons five paces; between posts seven paces and between states ten paces. In case a post or department does not have sufficient men to make three squads in double rank it will form in a single rank not exceeding fourteen files front plus right and left guides. Surplus men will be placed in line of file closers. The front rank of each platoon will be made up as far as possible of men in uniform.

IV. Organizations participating in the parade are assigned as follows: Platoon Mounted Police.

Band. Congressional Medal of Honor Men. National Commander and Staff. Distinguished Visitors in Automobiles.

Wounded in Automobiles (Two Abreast.) Departments in Alphabetical Order. State Commanders will prescribe the order in which the Posts of their respective states will march.

The different states will form at places indicated on the map.

If the 35th Division parades as a Division, it will follow the Legion Posts of Missouri. All formations to be complete and ready to move promptly at 2:00 o'clock p. m.

Colors will be carried by the second squad from the right of the first platoon of each post.

V. Posts which do not have the regulation Post colors are requested to carry instead, an American Flag as nearly as possible 4 ft. 4 inches by 5 ft. 6 inches in size.

VI. Pennants with the name of state and number of posts may be carried. The pennant will be carried by the right guide of the first platoon of each post.

VII. Except as provided "as above," no flags, banners, markers or pennants of any description will be permitted. To do so, would give the column the appearance of a political or other parade and this is to be avoided.

VIII. The purpose of the parade is to demonstrate the national character, strength and solidity of the American Legion. We are to pass in review before a portion of the great American public. The impressions made by our appearance will be lasting. So, let every man and woman do his and her best to merit the good will and high regard of the thousands who will view the parade. Let there be no Talking, Whistling or Singing on the March.

Post Commanders will see that this request is complied with. Plenty of hands will march in the parade and there will be no necessity for other music.

IX. Central street will constitute the base of the formation, but states form where indicated on the map.

The head of the parade will move from the intersection of 13th and Central streets, promptly at 2:00 o'clock p. m., march east on 13th street to Baltimore; north on Baltimore to 10th street; east on 10th to Main street; south on Main to 11th street; east on 11th to Grand Avenue; south on Grand to 19th street; west on 19th and Southwest Boulevard to Broadway; north on Broadway to 9th st.; east on 9th to business district and disband.

X. All Platoon Commanders will give the command "Eyes Right" (on left) and salute when passing the reviewing stand, which will be located on the vacant lot just south of the "Kansas City Star" building.

XI. The National Commander, Medal Honor Men, Post Commanders

Visitors and wounded men, may turn east at 19th street and Grand Avenue double back north on McGee street and enter the Grand Stand for the review of the parade.

XII. Men acting in the capacity of staff officers and identified by white badges, will be present at the several points of assembly and along the line of march to assist in the formation, correct errors and facilitate the organization and completion of the parade. It is hoped their suggestions and directions will be promptly and cheerfully acted upon.

The Missouri Department posts are requested to form and march in accordance with the foregoing regulations. More detailed information as to the exact points of assembly, the exact positions in the line, will be sent to district leaders as soon as such information is available.

The Missouri Department will be formed by districts.

In order to expedite the handling of the parade, the State Commander has appointed a District Colonel for each Congressional District in the state.

District Colonels are requested to send to the undersigned as soon as possible, the following information, regarding their district:

(a) Number of posts to be represented and number anticipated from each post.

(b) Number of posts which will have bands.

(c) Number of posts which will have stands of colors.

Posts will be commanded by their post commanders unless, by action of the post, other leaders have been selected.

No man shall be permitted to be in line or march with any post unless he is a paid-up member of the American Legion.

Further information will be sent as soon as available.

## Hotel Reservations.

Up to and including October 15th, local posts will send their requests for hotel accommodations through State Headquarters. After October 15th, your request should be mailed direct to the Hotels and Housing Committee, Kansas City National Convention Committee, The American Legion, Dixon Hotel, Kansas City, Missouri. As stated before, it would be well for posts to ascertain the names of members of their posts who desire reservations and send them in in bulk. This would expedite matters very much. No time should be lost in making these reservations. After October 15th, mail your request to the hotels and Housing Committee and NOT into State Headquarters.

## RELEASED FROM JAIL

Judge J. L. Hobbs released Charles Stringer from the city jail, Saturday afternoon, after he had served eleven days of a sixty day sentence on a charge of intoxication. The judge let Mr. Stringer out on parole.

## ON PAROLE

Judge J. L. Hobbs released Charles Stringer from the city jail, Saturday afternoon, after he had served eleven days of a sixty day sentence on a charge of intoxication. The judge let Mr. Stringer out on parole.

## STRIKE GAS AT

## JENKINS WELL

Sand at 706 Feet Held Strong Flow Of Gas. Drill Down to 800 Feet.

The drill at the Monett-Jenkins well was pounding away today at a depth of 800 feet and making better progress than at any time since drilling began. From Sunday at noon to noon Wednesday a total depth of 110 feet was made. At this rate it will not be long until the lower sands will be penetrated.

A sand was encountered at 706 feet that held a strong flow of gas, causing the water to bubble over the top. However, continued drilling and more water flows has more or less drowned out the gas flow. The formation continues regular, coinciding completely with similar formations in proven fields.

A water sand was encountered at around 800 feet that sends water over the top of the hole. Drilling will be continued for awhile before casing off the present surplus of water.

Another oil or gas sand is expected at around 1000 feet or before with stronger indications than any found thus far. Officials and stockholders are enthusiastic over the continued good indications and are freely predicting a producer on this location.

An oil well in this field would mean a city for Monett and better markets, more work, more money and better times for the entire community. Tulsa was once a whistling post only but today an oil city adorns the same spot. Oil did it. Every citizen of this vicinity should be a booster for the Monett-Jenkins Well and the pioneers who are behind it in an effort to raise this section of the Ozarks to the plane where it belongs.

## GLOBE

The school at Wheeler is progressing nicely with Miss Georgia Mooney for teacher.

Miss Agnes Calburg, of Chicago, arrived here Sunday evening. She will visit with her sister, Mrs. Victor Schelin and Mrs. August Beckman and friends.

Miss Helen Schelin visited with Hazel Peterson Sunday.

Mr. and Mrs. August Beckman visited Victor Schelin and family Sunday evening.

Ernest Schelin and family took dinner with Ted Erickson and family.

John Engledorf and family visited C. Terry and family Sunday evening.

Alvin Johnson and family visited John Engledorf Sunday night.

Miss Dorothy Lashaw came from Marionville Saturday night, where she is attending college, to spend Sunday with home folks.

Ted Patterson visited his aunt, Mrs. F. F. Hultgren, and family, of near Verona, Sunday evening.

John Lindquist took dinner with Rev. Malmquist and family Sunday.

Mr. and Mrs. Paul Gottas have announced the arrival of a boy at their home, Sunday, October 9.

## T. H. GILMER DIES

## AT PEIRCE CITY

T. H. Gilmer, an old citizen of Peirce City, died at 10 o'clock, Sunday night, his death being caused by pemphigus, a rare disease of the nerves. He has suffered for many weeks with the affliction his death being daily feared.

Funeral services will be held at the M. E. Church, South at Peirce City, at 2:30 o'clock Tuesday afternoon.

Mr. Gilmer was the father of Miss Pearle Gilmer, an employee at the Times office.

M. E. McCLANAHAN,

Administrator.

D. B. MEADOR, Attorney.

This 14th day of October 1921. w714

# Fordson

\$625 f. o. b. Detroit

## POWER FARMING WITH THE FORDSON

The Fordson Tractor is taking care of every power job, is taking the drudgery out of farm work and solving the labor problem. Power farming with the Fordson reduces the cost of preparing land to almost one half what it would be with horses, and saves a third to a half of the farmer's time. What machinery does for the factory, the Fordson Tractor is accomplishing on the farm—it is increasing production at lower costs and making farm life attractive.

Apply this power farming idea in your threshing. More and more farmers are making themselves independent of unfavorable conditions by using the Fordson tractor linked up with a light threshing. By seizing the right moment and being able to do the job without waiting and in quick time, crop losses are avoided and profits increased.

The Fordson operates with kerosene. When used on belt work, running at full power at 1,000 R. P. M., the fuel consumption does not exceed 2 1/2 gallons per

hour. It will run the electric light plant, operate the milking machine and straw baler—will take care of every kind of belt work.

The Fordson plows 6 to 8 acres in a 10-hour day, handling two plows with ease in the average soil. It requires an average of only 1 1/2 to 2 gallons of kerosene to the acre.

It is the ideal year-round tractor. It will pay for its fall and winter keep in many ways such as road work, hauling grain to the elevator, pumping water and moving granaries.
